

**Clackmannanshire Council
Licensing - Race Equality Scheme Monitoring Form**

Clackmannanshire Council has adopted a Race Equality Scheme and Race Equality Action Plan to help it tackle issues of race discrimination in carrying out its functions. In particular, the Council wishes to be sure that no applicant for a civic or liquor licence, or holder of a civic or liquor licence, receives less favourable treatment on the grounds of racial origin.

As a first step, the Council wishes to gather general information about the racial origin of people making licensing applications. All personal information supplied will be solely for the purposes stated in this form. No information will be passed on to others or used for any purpose other than statistical analysis. The details will not be seen or used during the licensing application process. Clackmannanshire is registered under the Data Protection Acts.

Please complete the form below and return it with your licence application.
